

## **BOARD OF DIRECTORS**

### **Training and Development for Board Members**

In keeping with the need for continuing training and development to enhance effective boardsmanship, the board encourages the participation of its members at appropriate board conferences, workshops, and conventions. Funds for participation at such meetings will be budgeted for on an annual basis.

### **Participation in School Boards' Association**

As required by law, the board members are members of the Washington State School Directors' Association. Since the association establishes the rate of membership dues at its annual meeting, provides services in response to members' needs and develops and implements a legislative program at the direction of its members, board members are encouraged to participate in the governance of the association.
