

Wilbur-Creston School District Chromebook Repair Fee Agreement:

With recognition of the advantages that come from being issued a Chromebook and the considerable expense to the Wilbur-Creston School District in funding the Chromebook program, the student and student's parent/guardian acknowledge that they must bear some risk for the possibility that the Chromebook may be damaged, lost, or stolen. We are not accessing a deposit fee however we want to make sure that the devices are taken care of.

Damage to a Chromebook may be intentional/deliberate or unintentional/accident damage. When a Chromebook is damaged fees associated to repair the damage will be based on how the damage occurred; deliberate or accidental.

Fees

Intentional/Deliberate Damage:

The student and the student's parents/guardians are responsible for the actual cost of repair or replacement, whichever is less.

Unintentional/Accidental Damage:

When a device is damaged as a result of unintentional or accidental circumstances, the student and student's parent/guardian will be assessed the following fees:

- For the first occasion: the school will repair.
- For the second occasion: the school will attempt to repair, could be assessed actual cost to repair.

Chromebook is lost or stolen:

- Report immediately to Mr. Arland. The district may be able to locate the device if it is connected to Wi-Fi.
- If stolen, a report must be filed with the Lincoln County Sheriff's office.

If for some reason your student's Chromebook becomes damaged and a fee is necessary notification to you will be made. If at that time the repair fee will be an economic hardship for your family, please contact Mr. Arland directly about establishing a payment plan or to request potential waiver.
