WHERE TRADITION AND PREPARATION MEET THE FUTURE

WILBUR SCHOOL DISTRICT #200 MISSION

Wilbur School District believes in preparing all students to be productive, competent participants of society by providing a positive and effective learning environment where tradition and preparation meet the future.

WE BELIEVE

- ◆ That all kids can learn (high expectations)
- ◆ In teaching the whole child (social, emotional, physical, intellectual, environmental)
- ◆ In a positive learning environment (fun, dynamic, learner/outcome-centered)
- ◆ In integrated instruction which values diversity (multi-ethnic, multi-ability, multi-interest, multi-cultural curriculum)
- ◆ In community involvement (expect action/implementation, value family, respect neighbor, desire consensus, participation in school)
- ◆ That the school is the center of the community
- ◆ In life long learning (birth to death)
- ◆ That staff is the key to excellence
- ◆ That up-to-date technology is necessary to prepare students for the future
